

## INITIAL TEACHER TRAINING ACADEMIC YEAR 2024 – 2025

### Bursaries & Scholarships

Bursaries and scholarships are available to trainees on tuition fee-based teacher training courses in England that lead to the award of [qualified teacher status \(QTS\)](#).

Receiving a bursary or scholarship depends on:

- highest relevant academic award
- ITT subject

In languages and physics, trainees starting courses in the academic year 2024 to 2025 will not need to be eligible for student finance to be eligible for a bursary or scholarship. In all other subjects, trainees are only eligible for a bursary or scholarship if they are entitled to support under the [student finance criteria](#).

Non-UK trainees should read [Train to teach in England as a non-UK citizen](#). Applicants with a degree from outside the UK should use [Teach in England if you trained outside the UK](#).

For 2024 to 2025 we are offering bursaries of:

- **£28,000 in chemistry, computing, mathematics and physics**
- **£25,000 in biology, design and technology, geography and languages (including ancient languages)**
- **£10,000 in art and design, English, music and RE**

Applicants may be eligible for a bursary if they have 1st, 2:1, 2:2, PhD or master's.

We are offering scholarships of:

- **£30,000 in chemistry, computing, mathematics and physics**
- **£27,000 in French, German and Spanish (no other languages)**

Scholarships are usually available to applicants with a 1st, 2:1, master's or PhD, though in exceptional circumstances they may be awarded to a graduate with a 2:2 and significant relevant experience.
